## A KEYS OLYMPIAN?

The following letter was sent to us by Keys residents Bud and Billie Whitehead.

Ventura Keys Resident:

Are you aware that we, the residents of Ventura in general and Ventura Keys in particular, have a rising star in our midst?

Mike Dunmire of 2973 Seaview Avenue, Ventura, has risen rapidly in the sail boarding world and is now looking forward to the 1984 Summer Olympic Games where sail boarding will be a competitive event for the first time.

If you will please review Mike's resume of his sailing background, I am certain that you will agree that Mike is definitely a contender for the honor and the privilege of representing the United States in the '84 Games.

My wife, Billie, and I have been pleased to be among the initial sponsors who assisted Mike through the 1983 campaign. It is our sincere hope that all of you will join us in financially assisting Mike through the next few months of rigorous training and competition that we hope leads him to the GOLD MEDAL in 1984.

Please note that all contributions made to CISA/Mike Dunmire are tax deductible.

Thank you for your time and, in advance, for your assistance to Mike.

Sincerely,

Bud and Billie Whitehead

P.S. The Windglider board that has been, at the insistance of the European countries, designated the official board, is a West German manufactured board and costs approximately \$1,200.00. Mike desperately needs one of these to practice on prior to the trials.

The resume of Mike's sailing background mentioned in the letter is too lengthy to print in its entirety, but it contains some very impressive recent results: 1st Course Racing Open Class (stock Windsurfer), 1st Surf Slalom (Rocket 99), and Overall Champion Amateur Division at the Hang Ten/ Subaru California World Cup; 5th Course Racing, 2nd Freestyle, and 4th Long Distance at the Windsurfer Western Hemisphere Championships; and 1st Slalom, 5th Freestyle, and 3rd Overall at the Windsurfer Olympic Training Regatta. Mike's resume concludes:

## DUES TIME

has come to pay your 1984 Keys dues, and a statement/return  
d be attached to your newsletter. If there is no envelope  
it, please don't let that stop you from sending in your  
re \$15.

ra Keys Association is a non-profit corporation whose  
operty owners or residents in Ventura Keys. The Officers  
are a group of your neighbors elected by the membership at  
ting in January. The Association tries to be aware of any  
ment or otherwise, which would be detrimental to our area.  
Board monitor the agendas for city and county meetings and  
f particular significance. The Association owns and  
paddle tennis courts, beach, and boat launching ramp at  
Seaview; the beach at Surfriider; and the ornamental entrance  
Peninsula. Theoretically you may use these facilities only  
aid member. The Association also distributes this hopefully  
monthly newsletter to all Keys residents and absentee owners.

## IES NEEDED FOR FOREIGN EXCHANGE STUDENTS

ates, soon to be a full-time resident of the Keys and the  
ative for the American Scandinavian Student Exchange, has  
nformation about that organization and writes:

ilies interested in hosting a Scandinavian, German, Swiss  
nage student are needed by the non-profit American Scandina-  
Exchange. The students are fluent in English and high  
tudents are well screened by the ASSE organization. Each  
as expressed a sincere desire to learn our way of life by  
North American family and attending high school. Families  
hosting an exchange student should call 642-8641."

dent Jennifer Lawler, daughter of Byron and Rene Lawler, is  
icipating in this program as an outbound student in Denmark.  
a right away for more information if there is even the  
ice you might be interested. The qualification process must  
oon and correspondence between the host family and student  
as possible before the student's arrival in August. What  
learn about another culture and share ours.

OOPS!

ie, when rewriting the article on the new Board, I  
left out Linda Klinger, Joanne Lipman, and Joan Stonelake  
volunteered to be alternates. Sorry ladies.

## OLYMPIAN (Continued from p.2)

If I am to realize this goal of mine, I need help. Right now my needs are mainly in the area of equipment and travel expenses. If I am to try out for the Olympics, I need to practice on the board that was selected, the Windglider. As yet, I do not have access to one.

Donations can be tax deductible, if they are made out to the California International Sailing Association (CISA). This association is a travel grant/tax deductible sailing federation designed to assist top California sailors. My account with CISA is set up and contributions can be made out to: CISA/Mike Dunmire, Olympic Sailing Fund, P.O. Box 5320, Santa Ana, California 92704.

I would greatly appreciate any assistance you could give me that would bring me closer to my goal.

Sincerely,

Mike Dunmire

Having a Keys resident on the 1984 Olympic team is certainly an exciting prospect. Isn't Mike lucky to have supportive neighbors like the Whiteheads?

## KEYS BEAUTIFUL

You may recall in the last issue we started a new column to call attention to owners who have improved their properties either by remodeling or relandscaping. The homes selected for mention this time are the St. Clair's duplex at 2887/2889 Bayshore and the Brandt's home at 2957 Surfrider. The duplex has a dressed-up facade, and the house on Surfrider has a new room over the garage and new landscaping. Go by and see how nice they look.

## REPORT FROM THE BOARD

- Pat O'Leary has done a fantastic job of repairing and refinishing the benches and sign at the Surfrider beach. Thanks, Pat!
- Will Hoag is heading a committee to beautify the Keys Peninsula Boulevard entrance now that the utility companies have stopped digging up that area. The walls will be repainted, lighting and sprinklers installed, and the landscaping renovated.
- Charles Withers has been appointed to request that the city install a "No Outlet" sign on Surfrider to keep people unfamiliar with the Keys from going around in circles on the island.
- Board members planned to attend the March 27 Planning Commission meeting concerning the Scotch and Sirloin enlargement, but the issue has been postponed until the Port District Master Plan is revised.
- The Board is arranging a meeting with County Supervisor Susan Lacey to discuss the County Flood Control District's role in the ongoing Arundell Barranca/Keys main channel debris issue.
