VKA BOARD MEETINGS

With vacations and all, the June meeting was cancelled and the July meeting was held at Liserani's. Without a quorum, they discussed future barbecue plans and a few other items.

VKA BOARD MEETINGS (Continued)

The August meeting was held at the Collins' home, August 21, 1986. Barbecue plans were pursued, entrance signs discussed (new signs; Beachmont & street off Safeway shopping center), and in October we plan to visit the Ventura Unified School Board Meeting to stress our need of the "Keys" children going to Pierpont School. We will have further date and time in the October "Breeze".

Coming meetings: *Sept. 25, 1986 - John Sugden, 2411 Seahorse

Oct. 16, 1986 - Steve Ehret, 2792 Surfrider

Nov. 20, 1986 - Will Hoag, 2765 Sailor

* Monte Widders, VKA attorney, will have sample ballots which will modify the CC & Rs and bylaws for our approval. Come with your input.

NEIGHBORHOOD COMMENTS

* Perhaps you've noticed? The Safeway shopping center is looking better. The trash cans are being emptied more often and the whole area generally looks better. I'd still like to see the walks washed occasionally, but I'm pleased with the progress.

* If anyone would like to help set up for the Barbecue, come to the Big Beach, (corner of Beachmont & Seaview) after 8:30 am, 9/13/86.

* Several owners, new & old, have asked, "What do we get for our membership in the Ventura Keys Association?"

The purpose of the Association is to have the homeowners (& renters) work together to improve our local community and to maintain our entrance and parks.

All homeowners (& renters) can use Big Beach or Little Beach -- they are not just for on-water homes. (In fact, I think most usage is by off-water dwellers). You can also attend the VKA Board meetings, or serve on the Board, or just voice your views to make the "Keys" a better place to live.

* Harbor Emergency Care Center, located at 3639 Harbor Blvd., Suite 106, is pleased to announce a limited time offer for the residents of the Ventura Keys area.

PALM TREE TRIMMING

The original bidder that was accepted in June has been let go due to non-performance.

The second bidder, Treeman, has agreed to take over the job. He will cut and clean up for \$30.00 a tree.

We feel this is very reasonable!

If you'd like to have your palms trimmed you can call or send a note to the Keys Breeze address, or give Treeman a call.

Again, the City won't trim, they can be torches, and they have been known to harbor rats. Please join us in our drive to beautify our community.
